LIME CITYONE THOUSAND BABIES AT
OHIO STATE FAIR SEPT. 1-5

Better Babies in Ohio is the slogan. Would you like to see 1,000 babies bunched? Do you want to hear their chorus? The first week in September, at the State Fair, babies will be judged, not for looks but for quality, form and proportions.

A score card and common sense will be used in placing premiums on this junior army. For years efforts have been made to improve the breeding of live stock. Why not improve the quality of babies? The number of deformed and defective children is increasing. The standards in baby

breeding have tended downward rather than upward. The Ohio State Fair has joined the Woman's Home Companion in a campaign for Better Babies. The Fair is educational in all lines. The big baby camp at the State Fair, September 1 to 5, will be interesting even to old bachelors. Trained doctors will examine and score the infants and kickers.

All mothers are welcome to enter babies. Entries close August 25. For entry blanks and information write to Doctor Harriet B. Clark, 150 East Broad Street, Columbus, Ohio.

HILLIKIN DAY SEPTEMBER 2
STATE FAIR BEAN DINNER

Attorney General Hogan and other orators will make speeches in the hill country of Ohio for the purpose of boosting "Hillikin Day" at Ohio State Fair, Tuesday, September 2. The Hillikins number thousands. Any person who has lived among the hills, and has one leg shorter than the other from walking on hillsides, can qualify and become a member. Hillikin Bean Dinners are now choice events. Two tons of beans are expected to disappear at the Bean Dinner, to be served on State Fair Grounds. Six yoke of oxen and old

time spinning wheels will be tokens and trade marks of a rugged race of citizens. It would be well worth the price of admission to see Generals Hogan, Brown, Grosvenor, Keifer and Metcalf, in front of the grand stand, trying to drive a yoke of brindle steers toward a Blue Ribbon prize and bean dinner. These gentlemen should rehearse and learn the mysteries of "gee" and "haw."

Hillikin Day will be a milestone in State Fair history. The vim and vigor of the hill folks will be in evidence. Pride and push will land them in the king row.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Charles P. Champney has been appointed and qualified as Executor of the estate of Frances Julia Champney late of Wood County, Ohio, deceased. Dated this 11 day of August A. D. 1913

Probate Judge of said County.

COSTLY TREATMENT.

"I was troubled with constipation and indigestion and spent hundreds of dollars for medicine and treatment," writes C. H. Hines, of Whitlow, Ark. "I went to a St. Louis hospital, also to a hospital in New Orleans, but no cure was effected. On returning home I began taking Chamberlain's Tablets, and worked right along. I used them for some time and am now all right." Sold by all dealers.

THIS is just what you need, madam. Many women who were troubled with indigestion, a sallow, muddy skin, indicating biliousness and habitual constipation, have been permanently cured by the use of Chamberlain's Tablets. Before using these tablets they felt miserable and despondent. Now they are cheerful and happy and relish their meals. Try them. They only cost a quarter.

RESOLUTIONS.

At the meeting of the fourth Quarterly Conference of M. E. Church held Sunday after noon August 10, 1913 resolutions were passed on the death of William Barton.

Whereas God in his wise Providence has seen fit to remove from our midst our esteemed brother and friend, who for so many years was our Sunday School Superintendent and steward in the church, we bow in humble submission to the will of Him who is too wise to ere and too good to be unkind.

In the home circle, in the lodge room in the church or in his place of business or wherever he was found, his presence was a ray of sunshine.

He possessed one of those happy lovable natures, with which God has crowned some of his children.

A noble husband, a kind father, a genial companion, an honorable citizen an upright man, in all his dealings, and a christian gentleman was Brother Barton. We covered his bier with flowers, and wreath his memory with fond sweet recollections of his noble manhood.

We mourn for him, but we mourn not for them who die without hope.

In every walk of life he was tender and true. Church and home and fraternity will miss him; but it is sweet to know that his spirit has only winged its flight to pastures green in the Kingdom of love.

Therefore be it, Resolved, that in this hour of our sorrow we extend our sympathy to his loved ones, in his earthly home. We humbly beseech the great and merciful Sovereign of the Universe to look down in pity and in love upon them, guide them and protect them, and at last gather them all into His Mansions Beyond the Stars.

Resolved, that these resolutions be spread upon the minutes, the same be printed in our city paper, and a copy sent to the family of our deceased brother.

At the meeting of the fourth Quarterly Conference of the M. E. Church held Sunday afternoon August 10, 1913 resolutions were passed on the death of Mrs. Philinda Chapman.

Whereas by the grim hand of death our Omnipotent Creator has translated to realms celestial our esteemed sister Mrs. C. F. Chapman, whose many noble virtues so beautifully blended into christian character, whose optimism and genial nature oft inspired and refreshed our drooping spirit; whose hospitality to the needy was like that extended to nearest kin; whose devotion to her family and her church and to the Flower Hospital of Toledo, O., where she served as a member of the board until her health failed, was unremitting, and whose dying hour evidenced a faith and trust in God that crowns a life career worthy our highest respect and emulation; therefore be it

Resolved; That though we are deeply grieved over the loss of so faithful a co-worker and that we manifest our appreciation of her kind deeds and many favors by cherishing her memory in our hearts.

Resolved, that we condole with the bereaved family in the loss of wife and mother and that we remember them in our prayers before Him who is able to strengthen and comfort; be it further

Resolved that these resolutions be spread upon our minutes, the same be printed in our city paper, and a copy sent to the family of our deceased sister.

Knew Him as Well.

A certain cantankerous old gentleman not long ago advertised for a coachman, who was required, among other qualifications, to possess an intimate acquaintance with the neighborhood; but to his great surprise he received not a single application for the vacant post.

"I cannot understand it at all," he said, as during a chat one day with an old hostler at the livery stables he had mentioned the fact.

"Let me see," said the latter, as a gleam of intelligence flitted across his face, "ye had advertised, I believe, for one as 'must be well acquainted with the neighborhood,' didn't ye?"

"I did," replied the old gentleman, shortly. "I want some one who knows his way about."

"Ah, that explains it," was the answer. "Ye see, they who know the neighborhood well knows ye, too!"

REMARKABLE CURE OF DYSENTERY.

"I was attacked with dysentery about July 15th, and used the doctor's medicine and other remedies with no relief, only getting worse all the time. I was unable to do anything and my weight dropped from 145 to 125 pounds. I suffered for about two months when I was advised to use Chamberlain's Colic, Cholera and Diarrhoea Remedy. I used two bottles of it and it gave me permanent relief." writes B. W. Hill of Snow Hill, N. C. For sale by all druggists.

Mines in the United States.

How many mines are there in the United States? This is a question that often is asked us. As nearly as we can determine, there are about six thousand five hundred coal mines. Of metal mines there are about six thousand, producing and developing. With respect to the metallurgical works we can speak more accurately. There are nine copper refineries and forty-five smelteries. There are twenty-eight lead smelting works, twenty-eight zinc and 314 iron. There are 159 open hearth steel works and thirty bessemer works. Thus there is a total of 613 metallurgical works of the classes herein enumerated.—Engineering and Mining Journal.
